SECOM-D-759

17 December 1979

25X1A MEMORANDUM FOR: [REDACTED]  
Chairman, NFIB Working Group on  
Compartmentation

25X1A FROM: [REDACTED]  
Security Advisor

SUBJECT: APEX Manuals

1. Attached for your perusal is a copy of the revised APEX Manual which incorporates some of the changes suggested by member agencies. For convenience, the Manual is arranged to allow ready reference to the original version of the Manual on the left side while the same page with changes appears on the right side. You will note that both the Government Manual and the Industrial Manual have been reproduced. [REDACTED]

25X1

2. Under Tab A appears my memorandum of 3 December 1979 which sets out what changes were made along with explanatory comments to assist in understanding why other changes could not be made. Under Tab B there appears a compilation of items which are believed to be of sufficient uncertainty as to require NFIB Working Group consideration. These are grouped as general comments as well as specific comments by page. [REDACTED]

25X1

3. Under Tab C there appears a series of comments directed to individual agencies. They are furnished to assist you in responding to these agencies should you feel these observations are appropriate. [REDACTED]
